SIGNIFICANT EVENTS/ACTIVITY:

Statewide Extreme Cold Weather Activities

Local Emergency Proclamation, Santa Clara County

A Proclamation from Santa Clara County has been received proclaiming a local emergency due to the NWS issued Freeze Warning December 6, 2013. There is no request for State assistance.

* The Cal OES LDO confirmed with the Santa Clara Sheriff's Office the information provided in the proclamation is verified; four freeze related deaths thus far. Three of those occurred in the last couple days, with the fourth occurring on 11/28 in Saratoga.

* Santa Clara County deactivated their EOC at approximately 1955 hours December 6, 2013 and will not be activating over the weekend. Santa Clara County will be conducting conference calls at 1200 hours and 1800 hours through the weekend until 1200 hours Monday. The Cal OES CDO will be present on the calls and continues to monitor the situation.

* The Board of Supervisors meet on Tuesday and at this time, there will not be a request to extend the proclamation.

California Contingency Plan for Extreme Cold / Freeze Emergencies Phase III

In accordance with the California Contingency Plan for Extreme Cold / Freeze Emergencies; Phase III actions are taken when conditions pose severe threat and one or more various actions

exist. The submission of a Proclamation of Local Emergency by Santa Clara County is one of the conditions that initiate Phase III actions of the Emergency Plan.

- * The CSWC prepared an Executive Weather Briefing and notified the key stakeholders of the transition to Phase III of the Emergency Plan and the potential for State conference calls this weekend.

- * A State Weather Conference Call was held on 12/7/13 at 1000 hours. All agencies/departments with Phase III responsibilities and other appropriate stakeholders were briefed and provided status updates. All agencies are monitoring the situation. The National Weather Service provided a briefing with updates on expected conditions. CUEA reported that the State Power Grid is stable and there are no freeze related issues reported by water providers. Local and Regional health facilities have been briefed by EMSA and CDPH. CDFA reports no abnormal animal motility rates. There were no reported issues, and no requests for state assistance.

- * The California State Warning Center, in coordination with the National Weather Service, continues to monitor the weather statewide; specifically, for any cold/freezing weather of concern and will brief key response agencies as the situation warrants.

- * The three administrative regions have conducted outreach to accumulate relevant information from their Operational Areas (OA's) affected by the extreme cold weather conditions.

- * Inland Region Operational Areas have not reported any damage or issues that involve the agricultural industry such as crops, livestock or poultry. At this time, various faith based groups and churches across the region have opened their doors as warming centers for the homeless. See the Warming Centers attachment for a list of shelters by County. On 12/07/13, Tuolumne County activated to Level 2 due to power outages in Sonora. The outages forced the closure and relocation of the warming center at the county wellness building. The warming center was moved to the Seventh Day Adventist Church off of Highway 49 in Sonora and will remain open 24/7 until further notice. As of 0600 hours on 12/08/13, PG&E reported power restored to all affected customers. Tuolumne County returned to Duty Officer status on 12/08/13.

- * Coastal Region – Operational Areas are receiving reports from the National Weather Service and they are following their protocols for the cold weather. See the Warming Centers attachment for a list of shelters by County. For Santa Clara County on 12/08/13, EMS reported that there was no additional increase in calls due to the weather and there were no reported deaths. The homeless services did outreach yesterday, but did not do any today (Sunday). They passed out blankets during the visits to encampments for people and pets. ARC did provide cantina services on 12/07/13, and are on standby for any future needs. OES will be reaching out to the County Law Enforcement coordinator to assist in getting the message out to all county LE agencies about locations of shelters and signs of hypothermia.

- * Southern Region – Polled all of the region's OAs for various weather activities. Warming centers/shelters are now open throughout the region with extended hours, and are reported to be Americans with Disabilities Act (ADA) compliant. See the Warming Centers attachment for a list of shelters by County.
